CITIZENS' COMMUNICATIONS

Samantha Oliver – Keep Condos Clean – Read a letter explaining that Keep Condos Clean have been contracted as the cleaning company for the past 7 years. They are aware of and taken care of any and all complaints that have been shared with them. Respectfully askes to consider their contract for renewal.

Dan Calvino – Thank you for the speed limit sign on Case Road. Fireworks are a problem and wanting to know where the enforcement is. Why sidewalks on Dude Ranch and not Case Road?

APPROVAL OF CONSENT AGENDA

Alderman Becker made a motion to approve the Consent Agenda (Minutes July 18, 2019 and Bills List) with an amendment to Bill No. 19-50 to read *City Administrator to Execute instead of Mayor Or His Delegated Representative To Execute*. This motion was seconded by Alderman Rucker. Motion passes.

UNFINISHED BUSINESS BILL NO. 19-51

An ordinance of the City of Osage Beach, Missouri, establishing a procedure to disclose potential conflicts of interest and substantial interests for certain municipal officials. *Second Reading*

Alderman Marose made a motion to approve the second reading of Bill 19-51 as presented. This motion was seconded by Alderman Massey. The following roll call was taken to approve the second and final reading of Bill 19-51 and to pass same into ordinance: "Ayes" Alderman Ross, Alderman Becker, Alderman Rucker, Alderman Massey and Alderman Marose. "Nays" – 0. "Absent" Alderman Walker. Bill 19-51 was passed and approved as Ordinance 19.51.

BILL NO. 19-52

An ordinance of the City of Osage Beach, Missouri, amending Ordinance NO. 18.59 adopting the 2019 Annual Budget, transfer of funds for necessary expenses for IT installation of storage and backup equipment. *Second Reading*

Alderman Rucker made a motion to approve the second reading of Bill 19-52 as presented. This motion was seconded by Alderman Marose. The following roll call was taken to approve the second and final reading of Bill 19-52 and to pass same into ordinance: "Ayes" Alderman Becker, Alderman Rucker, Alderman Massey, Alderman Marose and Alderman Ross. "Nays" – 0. "Absent" Alderman Walker. Bill 19-52 was passed and approved as Ordinance 19.52.

BILL NO. 19-53

An ordinance of the City of Osage Beach, Missouri, amending Ordinance NO. 18.59 adopting the 2019 annual budget, transfer of funds for necessary expenses. *Second Reading*

Alderman Rucker made a motion to approve the second reading of Bill 19-53 as presented. This motion was seconded by Alderman Marose. The following roll call was taken to approve the second and final reading of Bill 19-53 and to pass same into ordinance: "Ayes", Alderman Rucker, Alderman Massey, Alderman Marose, Alderman Ross and Alderman Becker. "Nays" – 0. "Absent" Alderman Walker. Bill 19-53 was passed and approved as Ordinance 19.53.

NEW BUSINESS BILL NO. 19-54

Bill 19-54 an ordinance of the City of Osage Beach, Missouri, authorizing the mayor to execute a one-year extension contract with Williams Keepers LLC for auditing services for the 2019 Annual Comprehensive Financial Report CAFR), in an amount not to exceed \$32,475. *First Reading*

The City has just completed a four-year contact with Williams Keepers LLC to perform the City's auditing Services. Due to the complexities associated with GASB 75 and the other post-employment benefit calculations, requesting a one-year extension. This one-year extension will give staff an opportunity to work with the current auditors to complete the implementation of GASB 75, including calculations and journal entries. The \$3,500 is estimated to be spent under the FY2019, the remainder contract costs will hit the FY2020 budget and will be budgeted accordingly.

Alderman Ross made a motion to approve the first reading of Bill NO. 19-54. This motion was seconded by Alderman Marose. Motion Passes

BILL NO. 19-55

An ordinance of the City of Osage Beach, Missouri, authorizing the mayor to execute a fuel purchase agreement with Naegler Oil Company INC for the purchase of aviation fuel for Lee C. Fine and Grand Glaize airports. *First Reading*

This action will replace the current agreement the City of Osage Beach has with Naegler Oil Company Inc. and will be for a term of 5 years and shall be self-renewing at the end of the 5-year term unless written notice is given 90 days in advance. Naegler Oil Company is considered a soul source for these products due to its geographic location to the regional petroleum distribution terminal. The City has been doing business with Naegler Oil Company for over 19 years with excellent results. In some cases, purchases exceed the \$15,000.00 threshold that requires Board approval; therefore, the bill stipulates that the City Administrator may approve any size purchases under this contract.

Alderman want to have a date in contract for renewal and a cap on purchase approval for the City Administrator.

Bill No. 19-55 held over for more information.

BILL NO. 19-56

An ordinance of the City of Osage Beach, Missouri, authorizing the mayor to execute a contract with B & H Cleaning services to provide janitorial services. *First Reading*

Bids came in for the City's Janitorial contract on 07/08. There were only two bids. Our current vendor, Keeping Condo's Clean and B & H Cleaning Services. Recommending that the Board award the contract to B & H Cleaning Service. Having received multiple complaints concerning the quality of work with our current vendor, Keeping Condos Clean, over the past year. Additionally, Keeping Condos Clean does not have the capability to buff tiles floors which is required under Exhibit A Specs for Janitorial Services. B & H Cleaning was the higher of the 2 bids by \$2000.00, feel that there is room for improvement in the quality of work put into the cleanliness of the City's buildings (City Hall & Public Works). I have checked B & H Cleaning Service's references and they all speak highly of B & H Cleaning Service's work. Within the bid packet the City also asks for an hourly rate that is used when the City needs additional cleaning outside of the parameters outline in the RFP. B & H Cleaning Services hourly rate was 5 dollars less the Keeping Condos Clean. These costs are requested to not exceed \$1,000.00. If approved the City will pay a slightly higher rate for the last 4 months of this year, but I have spoken with the Department Managers responsible for the expense accounts tied to these services and we do not anticipate that any budget adjustment will be necessary. The miner cost increase can be absorbed within our current budget. Based on the requested \$28,000 contract, \$11,667 would be under the FY2019 budget for the remainder of the year's monthly services, coded by fund.

Discussed: What were the complaints? Should treat Vendors like employees, \$2,000 more that current contract.

After further discussion Bill No. 19-56 held over for more information.

BILL NO. 19-57

An ordinance of the City of Osage Beach, Missouri, establishing selected fee waiver provision to encourage development of projects or property where traditional economic development tools are insufficient or inapplicable to adequately support or encourage the project. *First Reading*

Economic development is an important priority of the Board and the development of a vibrant and secure housing and business climate are in the best interest of the citizens of Osage Beach. In certain instances traditional tools for encouraging economic development may be insufficient or inapplicable to the project at hand. The Board has indicated that in certain limited circumstances selected waivers of certain fees may be necessary encourage projects in the city. Suggestions for setting the rental rates for Single Family Residences (SFR) and Multi-unit developments in the Fee Waiver Ordinance. The SFR rental number is approximately 12.5% higher that the multi-unit number since the maximum sales value per unit (\$200,000 to \$175,000) differs in the same proportion. The suggested rates are rounded to the nearest \$50 based on the formula: 50% of a monthly income based on the federal poverty level for a family of 4, (\$25,750 yearly or \$2,154,83 monthly, see: https://aspe.hhs.gov/poverty-guidelines), for a rental lid of \$1,073.00 rounded to \$1,050. The LOREDC Housing Study was also reviewed in considering this calculation. The setting of this number is a legislative decision and this proposal is simply an attempt to describe in a commonsense manner, a concrete and logical starting point for this decision.

Concerns: dollar amounts policed, no fee waiver process, cap of no more than 50% waived

After discussion Bill No. 19-57 held over for more information.

DISCUSSION

Case Road Speed Limit

Current situation:

Recently brought up that the speed limit signs were needed on Case Rd. Staff researched the issue and signs were installed per limits as stated in City Code. Since that time, it has been requested that the speed signs that were posted per code be adjusted for safety reasons. The Police Chief and the Public Works Director, who serves as the City's Traffic Engineer, are evaluating the issue and will present to the Board at the August 15 meeting any formal revisions to the Code as deemed necessary.

Chief Davis and Public Works Director Edelman will be making a presentation at the August 15, 2019 meeting.

City of Osage Beach Agenda Item Summary

Date of Meeting: August 15, 2019

Originator: Karri Bell, City Treasurer
Presenter: Karri Bell, City Treasurer

Date Submitted: August 7, 2019

Agenda Item:

Bill 19-54 An ordinance of the City of Osage Beach, Missouri authorizing the Mayor to execute a one-year extension contract with Williams Keepers LLC for auditing services for the 2019 Annual Comprehensive Financial Report (CAFR), in an amount not to exceed \$32,475.

Requested Action:

Second Reading of Bill #19-54

Ordinance Referenced for Action:

Board of Aldermen approval required for purchases over \$15,000 per Municipal Code Chapter 135; Article II: Purchasing, Procurement, Transfers, and Sales.

Deadline for Action:

None

Budgeted Item:

Yes

Budget Line Item/Title: 10-13-733440 Financial Services

FY19 Budgeted Amount: \$ 34,000.00

Expenditures to Date: (\$ 28,500.00

Available: \$ 5,500.00

Requested Amount: \$ 3,500.00

Department Comments and Recommendation:

The City has just completed a four-year contact with Williams Keepers LLC to perform the City's auditing services and staff was prepared to bid these services for a new 4-5 year period. Due to the complexities associated with GASB 75 and the other post employment benefit calculations, I am requesting a one-year extension. This one-year extension will give staff an opportunity to work with the current auditors to complete the implementation of GASB 75, including calculations and journal entries. I recommend approval of a one-year extension with the understanding that these services will be bid-out in 2020.

WHAT IS GASB 75 and OPEB?

Because the City offers retirees the ability to purchase health insurance through the City's plan (bridge to Medicare) also called "Other Post Employment Benefit" (OPEB). There is an accounting liability the City is required to disclose in its financial reports. This benefit requires additional auditor services and actuary services. The actuary services are currently being provided through Midwest Public Risk (MPR), at a annual cost of \$1,500.

2ND READING INFORMATION ADDED:

Williams Keepers LLC fee for 2018 CAFR was \$31,975 compared to the 2019 proposed fee of \$32,475 or a 1.56% increase.

City Attorney Comments: Per City Code 110.230, Bill 19-54 is in correct form.

City Administrator Comments:

The first reading was read and passed by the Board of Aldermen on August 1, 2019.

I concur with the recommendation to renew one additional year with the current audit firm, William Keepers LLC, and to bid services in FY2020. It is a best practice and is in the best interest of the City to do our due diligence to solicit qualified companies and potentially change audit firms every 5 years, but no less; however, because of us working through GASB 75, changing in mid-stream would not be ideal.

\$3,500 is estimated to be spent under the FY2019, the remainder contract costs will hit the FY2020 budget and will be budgeted accordingly.

AN ORDINANCE OF THE CITY OF OSAGE BEACH, MISSOURI, AUTHORIZING THE MAYOR TO EXECUTE A ONE-YEAR EXTENSION CONTRACT WITH WILLIAMS KEEPERS LLC FOR AUDITING SERVICES FOR THE 2019 ANNUAL COMPREHENSIVE REPORT (CAFR)

BE IT ORDAINED BY THE BOARD OF ALDERMEN OF THE CITY OF OSAGE BEACH, MISSOURI, AS FOLLOWS:

<u>Section 1.</u> That the Board of Aldermen of the City of Osage Beach authorize the Mayor to execute a one-year (1) extension contract with Williams Keepers LLC for auditing services for the 2019 Annual Comprehensive Financial Report (CAFR) in the amount of Thirty-Two Thousand Seventy-Five Dollars (\$32,475.00).

<u>Section 2.</u> That the Board of Aldermen agrees to the terms and conditions as set out in the attached Contract with Williams Keepers LLC and hereby authorizes the Mayor to execute same on behalf of the City of Osage Beach, Missouri.

Section 3. This Ordinance shall be in full force and effect on date of passage.

July 17, 2019

City of Osage Beach 1000 City Parkway Osage Beach, MO 65065

We are pleased to propose on providing the following services for the City of Osage Beach (the City) for the year ending December 31, 2019.

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units (if any), each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements, of the City as of and for the year ending December 31, 2019. U.S. generally accepted accounting standards provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the City's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the City's RSI in accordance with U.S. generally accepted auditing standards. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- Management's discussion and analysis
- Budgetary comparison schedules
- Other post-employment benefit plan (OPEB) schedules

We will also report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. generally accepted auditing standards, and we will provide an opinion on it in relation to the financial statements as a whole in a report combined with our auditors' report on the financial statements:

Schedule of expenditures of federal awards

The following other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditors' report will not provide an opinion or any assurance on that other information:

- Introductory section
- Statistical section

Audit Objectives

The objective of our audit is the expression of opinions as to whether the City's financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to above when considered in relation to the financial statements as a whole. The objective also includes reporting on:

- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

The Government Auditing Standards report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with U.S. generally accepted auditing standards; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the Board of Aldermen of the city of Osage Beach. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with management in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue reports, or we may withdraw from this engagement.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the City or to acts by management or employees acting on behalf of the City. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may request written representations from the City's attorneys as part of the engagement, and they may bill the City for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from management about their responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures - Internal Control

Our audit will include updating our understanding of the City and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the City's compliance with the provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the City's major programs. The purpose of these procedures will be to express an opinion on the City's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of the City in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by management. These nonaudit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and presentation of financial statements that are free from material misstatement, whether due to fraud of error, including internal controls over federal awards, and for evaluation and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that the City's programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements.

Management is also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Management's responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. Management is also responsible for providing us with (1) access to all information of which they are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the City from whom we determine it necessary to obtain audit evidence.

Management's responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the City involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management's responsibilities include informing us of their knowledge of any allegations of fraud or suspected fraud affecting the City received in communications from employees, former employees, grantors, regulators, or others. In addition, management is responsible for identifying and ensuring that the City complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review by a mutually agreed upon date.

Management is responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. Management agrees to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. Management also agrees to include the audited financial statements with any presentation of the schedule of expenditures of federal awards that includes our report thereon. Management's responsibilities include acknowledging to us in the written representation letter that (1) they are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) they believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) they have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. Management is also responsible for providing their views on our current findings, conclusions, and recommendations, as well as their planned corrective actions, for the report, and for the timing and format for providing that information.

Management agrees to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. Management will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that they have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, management agrees to oversee the nonaudit services by designating an individual (Karri Bell) preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

Engagement Administration, Fees, and Other

We understand that the City's employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing. We will provide the City with a list of information required for the audit and anticipate having the information ready when we start fieldwork. Our fees are based on this level of cooperation.

We expect to begin our audit on and to issue our reports by mutually agreed upon dates. Amanda Schultz, CPA is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with management the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of Williams-Keepers LLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to a federal agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify management of any such request. If requested, access to such audit documentation will be provided under the supervision of Williams-Keepers LLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the federal agency. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our proposed fees for these services are as follows:

| Audit | Sing | gle Audit | Total |
|--------------|------|-----------|--------------|
| \$ 30,975 | \$ | 1,500 | \$ 32,475 |

Our invoices for these fees will be rendered as work progresses and are payable upon presentation.

Our fees are based on the following assumptions and representations:

- The books and records will be ready for audit by a mutually agreed upon date;
- Adjusting entries needed to correct the books and records, if any, will be minimal;
- The books and records requested supporting schedules will be prepared by the City's staff and will be ready for audit at prearranged dates, and the City's staff will be available and provide reasonable assistance during our audit fieldwork;
- The City maintains, and makes available to us, adequate records and supporting documentation to test financial transactions, assets and liabilities;
- The City will provide the actuary's report(s) required for auditing and reporting on the OPEB plan;
- The City will provide the information needed to prepare the financial statements, including the management's discussion and analysis, as well as for the CAFR; and
- There will be no significant or unusual changes in the City's size, federal programs, accounting and regulatory requirements or services to be performed. Any such changes will be discussed with the City in advance so that a renegotiated fee, if appropriate, can be mutually agreed upon.

If significant additional time is necessary because of problems related to the above assumptions, we will discuss it with the City Treasurer before we incur the additional costs. If additional time is required, we would arrive at a mutually agreeable fee arrangement. Typically, such additional fees would be based on our estimated time requirements at our standard hourly rates for the personnel utilized.

We appreciate the opportunity to be of service to the City and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Sincerely,

WILLIAMS-KEEPERS LLC

Department Comments and Recommendation:

Updated Information requested at the last Board Meeting

Breakdown of documented complaints:

2019:

June 2019 - Police Chief, Building Official, and several other employees made me aware that the cleaning crew had not cleaned the Police stairwell for 2 to 3 weeks. Noting that the same messes were visible day after day. Notified Janitorial Vendor of issue. Reoccurring theme previously addressed verbally.

April 2019 - Conference Rooms had not been cleaned for multiple weeks especially the down stairs conference room on City Hall Side. Notified Janitorial Vendor of issue. Reoccurring theme previously addressed via email.

2018:

January 2018 - Staff came to me suspecting that building was not being cleaned per the contract schedule. The City's ID badge system was checked and this was verified. I also consulted with staff to see if they had seen cleaning crew come in as scheduled. Notified Janitorial Vendor of issue. Reoccurring theme previously addressed via email and verbally.

January 2018 - Several employees had notified me that trash and restrooms had not been cleaned over a 2 to 3 week period. Noting that the same messes were visible day after day. Reoccurring theme previously addressed verbally.

February 2018 - Restrooms at Public Works excessively dirty over a week with no attention. Notified Janitorial Vendor of issue. Reoccurring theme previously addressed verbally.

March 2018 - Downstairs conference room on City Hall Side not being cleaned per the contract. Notified Janitorial Vendor of issue.

May-2018 - Microwave uncleaned for several days. Notified Janitorial Vendor of issue

Also notified City Staff to be more aware of cleaning up after these types of messes themselves.

2017:

November 2017 - Ambulance Department notified me that the restrooms in their area where not being cleaned regularly and asked permission to buy cleaning supplies so they could clean. Notified Janitorial Vendor of issue.

November 2017 - Building Official notified me that several employees had notified him that trash and restrooms had not been cleaned over a 2 to 3 week period (trash not being taken out/restrooms not cleaned) Noting that the same messes were visible day after day. Notified Janitorial Vendor of issue.

November 2017 - Building Official suspected that the building was not being cleaned per the contract schedule. The City's ID badge system was checked and this was verified. I also consulted with staff to see if they had seen cleaning crew come in as scheduled. Notified Janitorial Vendor of issue.

These documented complaints represent emails that I have a record of. I only went back about 2 years. They do not included multiple verbal conversations that I had with the vendor or texts that I sent the vendor concerning other incidents where I made the vendor aware of cleanliness issues related the Police stairwell, conference rooms, and

various bathrooms at City Hall and Public Works over the life of the contract.

In all cases the vendor was responsive, but my job is to provide a recommendation to the Board of Alderman with the City's best interest in mind. I feel that these issues show a pattern of the current vendor not following Exhibit A regularly and then just catching things up once it is complained about. This has sometimes lead to a negative public appearance as far as cleanliness in our buildings and I have to take that into consideration. It shows a reactive approach rather than a proactive approach. My interest is in making sure that the City's money is being spent wisely for this service and I feel that a change is necessary.

Additionally, the vendor informed me early in the life of this contract that in order to buff the floors they would have to rent the machine and seemed apprehensive to do this. At the time we had an employee that was able to do this for us. That employee no longer works for us which makes it more important that this service be provided as stated in Exhibit A.

Original Comments:

Bids came in for the City's Janitorial contract on 07/08. There were only two bids. Our current vendor, Keeping Condo's Clean and B & H Cleaning Services.

I am recommending that the Board award the contract to B & H Cleaning Service . I have received multiple complaints concerning the quality of work with our current vendor, Keeping Condos Clean, over the past year. Additionally, Keeping Condos Clean does not have the capability to buff tiles floors which is required under Exhibit A Specs for Janitorial Services.

B & H Cleaning was the higher of the 2 bids by \$2000.00, but I feel that there is room for improvement in the quality of work put into the cleanliness of the City's buildings (City Hall & Public Works). I have checked B & H Cleaning Service's references and they all speak highly of B & H Cleaning Service's work.

Within the bid packet the City also asks for a hourly rate that is used when the City needs additional cleaning outside of the parameters outline in the RFP. B & H Cleaning Services hourly rate was 5 dollars less the Keeping Condos Clean. These costs are requested to not exceed \$1,000.00.

If approved the City will pay a slightly higher rate for the last 4 months of this year, but I have spoken with the Department Managers responsible for the expense accounts tied to these services and we do not anticipate that any budget adjustment will be necessary. The miner cost increase can be absorbed within our current budget.

Based on the requested \$28,000 contract, \$11,667 would be under the FY2019 budget for the remainder of the year's monthly services, coded by fund.

Total Contract Comparisons:

B & H Cleaning Services bid price breakdown:

| Total | | \$2,166.66 | \$26,000.00 |

Assistant City Administrator recommends approval.

City Attorney Comments:

Per City Code 110.230, Bill 19-56 is in correct form.

City Administrator Comments:

I concur with the recommendation to award the bid to B & H Cleaning Service for an annual contract of \$29,000 = \$28,000 for contracted monthly service and \$1,000 not to exceed for additional, as needed services.

EXHIBIT A-SPECIFICATIONS FOR JANITORIAL SERVICE CITY OF OSAGE BEACH, MISSOURI

General Requirements

The Janitorial Services Company (hereafter referred to as Company) desired is one which is highly professional, has broad experience with servicing commercial property and expertise with commercial grade cleaning agents, chemicals, and related equipment.

Company must have a formal training plan in place for employee safety relative to proper handling, labeling and use of janitorial supplies, chemicals and MSDS requirements.

Company must have a formal safety-training program in place, which addresses issues associated with hazardous situations, proper lifting, operation of equipment, and use of personal protection equipment, and all OSHA Safety Requirements.

Company must provide a list of three references with facilities and work tasks similar to that addressed herein. Company must provide proper identification and a background check for any person who enters City Hall under the authority granted to the selected bidder. The contract may be immediately terminated by the City for failure to pass a background check.

Successful bidder must obtain a merchant license and be bonded. Company must provide a certificate of liability insurance and certificate of insurance for workers compensation. Company shall protect, indemnify and hold harmless the City of Osage Beach from any and all claims, for any loss, damage or injuries sustained by any person who may arise out of any work performed or actions taken pursuant to this contract. Services must be provided after 5:00 p.m. on the days specified.

Enrollment in Federal Work Authorization program

Bidders are informed that pursuant to Section 285.530, RSMo, as a condition of the award of any contract in excess of five thousand dollars (\$5,000.00), the successful bidder shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection to the contracted services. Successful bidders shall also sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection to the contracted services.

Authorized employees

Contractor acknowledges that Section 285.530 RSMo, prohibits any business entity or employer from knowingly employing, hiring for employment, or continuing to employ an unauthorized alien to perform work within the state of Missouri. Contractor therefore covenants that it is not knowingly in violation of subsection 1 of Section 285.530 RSMo, and that it will not knowingly employ, hire for employment, or continue to employ any unauthorized aliens to perform work on the Project, and that its employees are lawfully eligible to work in the United States.

Pursuant to Missouri Statute RSMo. 285.530(1), no business entity or employer shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri. As a condition for the award of any contract or grant in excess of five-thousand dollars (\$5,000.00) by the City of Osage Beach, Missouri to a business entity, the business entity shall by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to employees working in connection with the contracted

services; and sign an affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

The City reserves the right to reject any and all bids, to waive informalities or irregularities, and to determine the lowest responsive and responsible bidder, and to award the contract on that basis. All Bidders must agree that such rejection shall be without liability on the part of the OWNER for any damage or claim brought by any Bidder because of such rejections, nor shall the Bidder seek any recourse of any kind against OWNER because of such rejections. The filing of any Bid in response to this invitation shall constitute an agreement of the Bidder to these conditions.

Terms for Successful Bidder

City Administrator Comments:

The Workforce Training Initiative 2019 is an opportunity for financial assistance made available by the Missouri Department of Economic (DED) to address gaps in job training opportunities. Because this opportunity is available to local government applicants only, this is a request to apply on behalf of our local community college, State Fair Community College (SFCC). There will be no financial requirement by the city, but we will partner with SFCC to address needs in our area. Applications are due September 30, 2019, and although the exact program is to be determined, the grant will fund a job training program that enhances skill development with focus on work-related skills that are needed in our area. These are one-time funds and can support

capital improvements, equipment, program supplies, and/or training materials that directly support job training programs.

The city is an active LOREDC (Lake of the Ozarks Regional Economic Development Council) member and workforce has been a focus over the last couple of years. Our secondary education partners in our region have been very proactive with programs and initiatives for students seeking diplomas, degrees, and certificates. Partnering with SFCC and creating a program that would be assisted through this grant opportunity will be done with the intent to address further adult training needs in our area.
