A special meeting was requested by the Board of Aldermen at the December 5, 2019 regular Board Meeting to discuss variables of the FY2020 Draft 2 Operating Budget.

Enclosed are the Fund Summary sheets for each fund within our budget indicating 1) the Draft 2 totals, as presented in compete detail at the December 5, 2019 regular meeting, and 2) three proposals described below based on Board of Aldermen discussion and requests at the previous meeting. Highlighted in yellow are the changes to totals compared to Draft #2 presented on December 5, 2019.

Proposal #1 - Represents changes to the lease financing of the Radio Console Purchase from 7 yr. to 3 yr., which effected the General Fund and the Ambulance Fund.

Proposal #2 - Represents changes to the lease financing of the Radio Console Purchase from 7 yr. to 3 yr., which effected the General Fund and the Ambulance Fund. This proposal also eliminated all capital purchases within the General Fund and eliminated the Enterprise Program revenue and expenditures for all funds the program included.

Proposal #3 - Represents changes to the lease financing of the Radio Console Purchase from 7 yr. to no lease financing/purchase outright, which effected the General Fund and the Ambulance Fund. This proposal also eliminated all capital purchases within the General Fund and eliminated the Enterprise Program revenue and expenditures for all funds the program included.

Also enclosed is a list of the General Fund Capital Expenditures and any corresponding revenue applicable to such expenditure that was excluded as presented in Proposal #2 and #3.

Additional Information:

The following are all capital expenditures (projects/purchases) represented in FY2020 Operating Budget Draft #2 that are in full or partially carried over from the FY2019 Operating Budget. A carry over is considered a project or purchase that was previously budgeted in the current year and due to factors that were known at the time of drafting the upcoming budget, said project or purchase would not be completed until the upcoming year. The funds earmarked for such project or purchase would not be used for other items in the current year and would be represented in the beginning balances for the upcoming year to be re-earmarked accordingly.
