**Comments from your City Administrator  
Jeana L. Woods, CPA**

*The City will celebrate it's 60th year of incorporation in May!*

On May 22, 1959 the City incorporated and only after a brief, rocky start has progressed in many ways over the last century. Once known as the town of Zebra, Osage Beach came to be with the building of Bagnell Dam in 1929 and is still considered the 'Heart of the Lake of the Ozarks'! We have extended our boundaries, our services, and tourism has grown exponentially! Did you know that the Lake of the Ozarks was voted the Best Recreational Lake by USA Today Readers just a few short years ago?

On Wednesday, May 22, 2019, please join us at City Hall for a celebration social from 4:30 PM – 7 PM! We will be happy to give you a tour of City Hall, come by and converse with our elected officials and staff along with some refreshments.

For more information about our history and government, visit our website at <https://www.osagebeach.gov>

The Osage Beach Police Department will be participating in the National Click It or Ticket Campaign, May 20 thru June 2.

Officers will be focusing on traffic violations and those motorists not wearing seat belts.

According to the National Highway Traffic Safety Administration there were 10,076 un-buckled passenger vehicle occupants killed in traffic crashes in 2017. In that same year, 55% of passenger vehicle occupants killed at night (6 pm to 5:59 am) were not wearing their seat belts.

If we can keep one person from being killed in a traffic crash because they were not wearing their seatbelt because our agency participated in the Click It or Ticket Campaign, we helped make a difference.

Remember that Osage Beach has a Primary Seat Belt Ordinance which means that Osage Beach Officers may stop you for not wearing your seat belt without any other violations.

Have a fun and safe Memorial Day and remember to Buckle-UP
